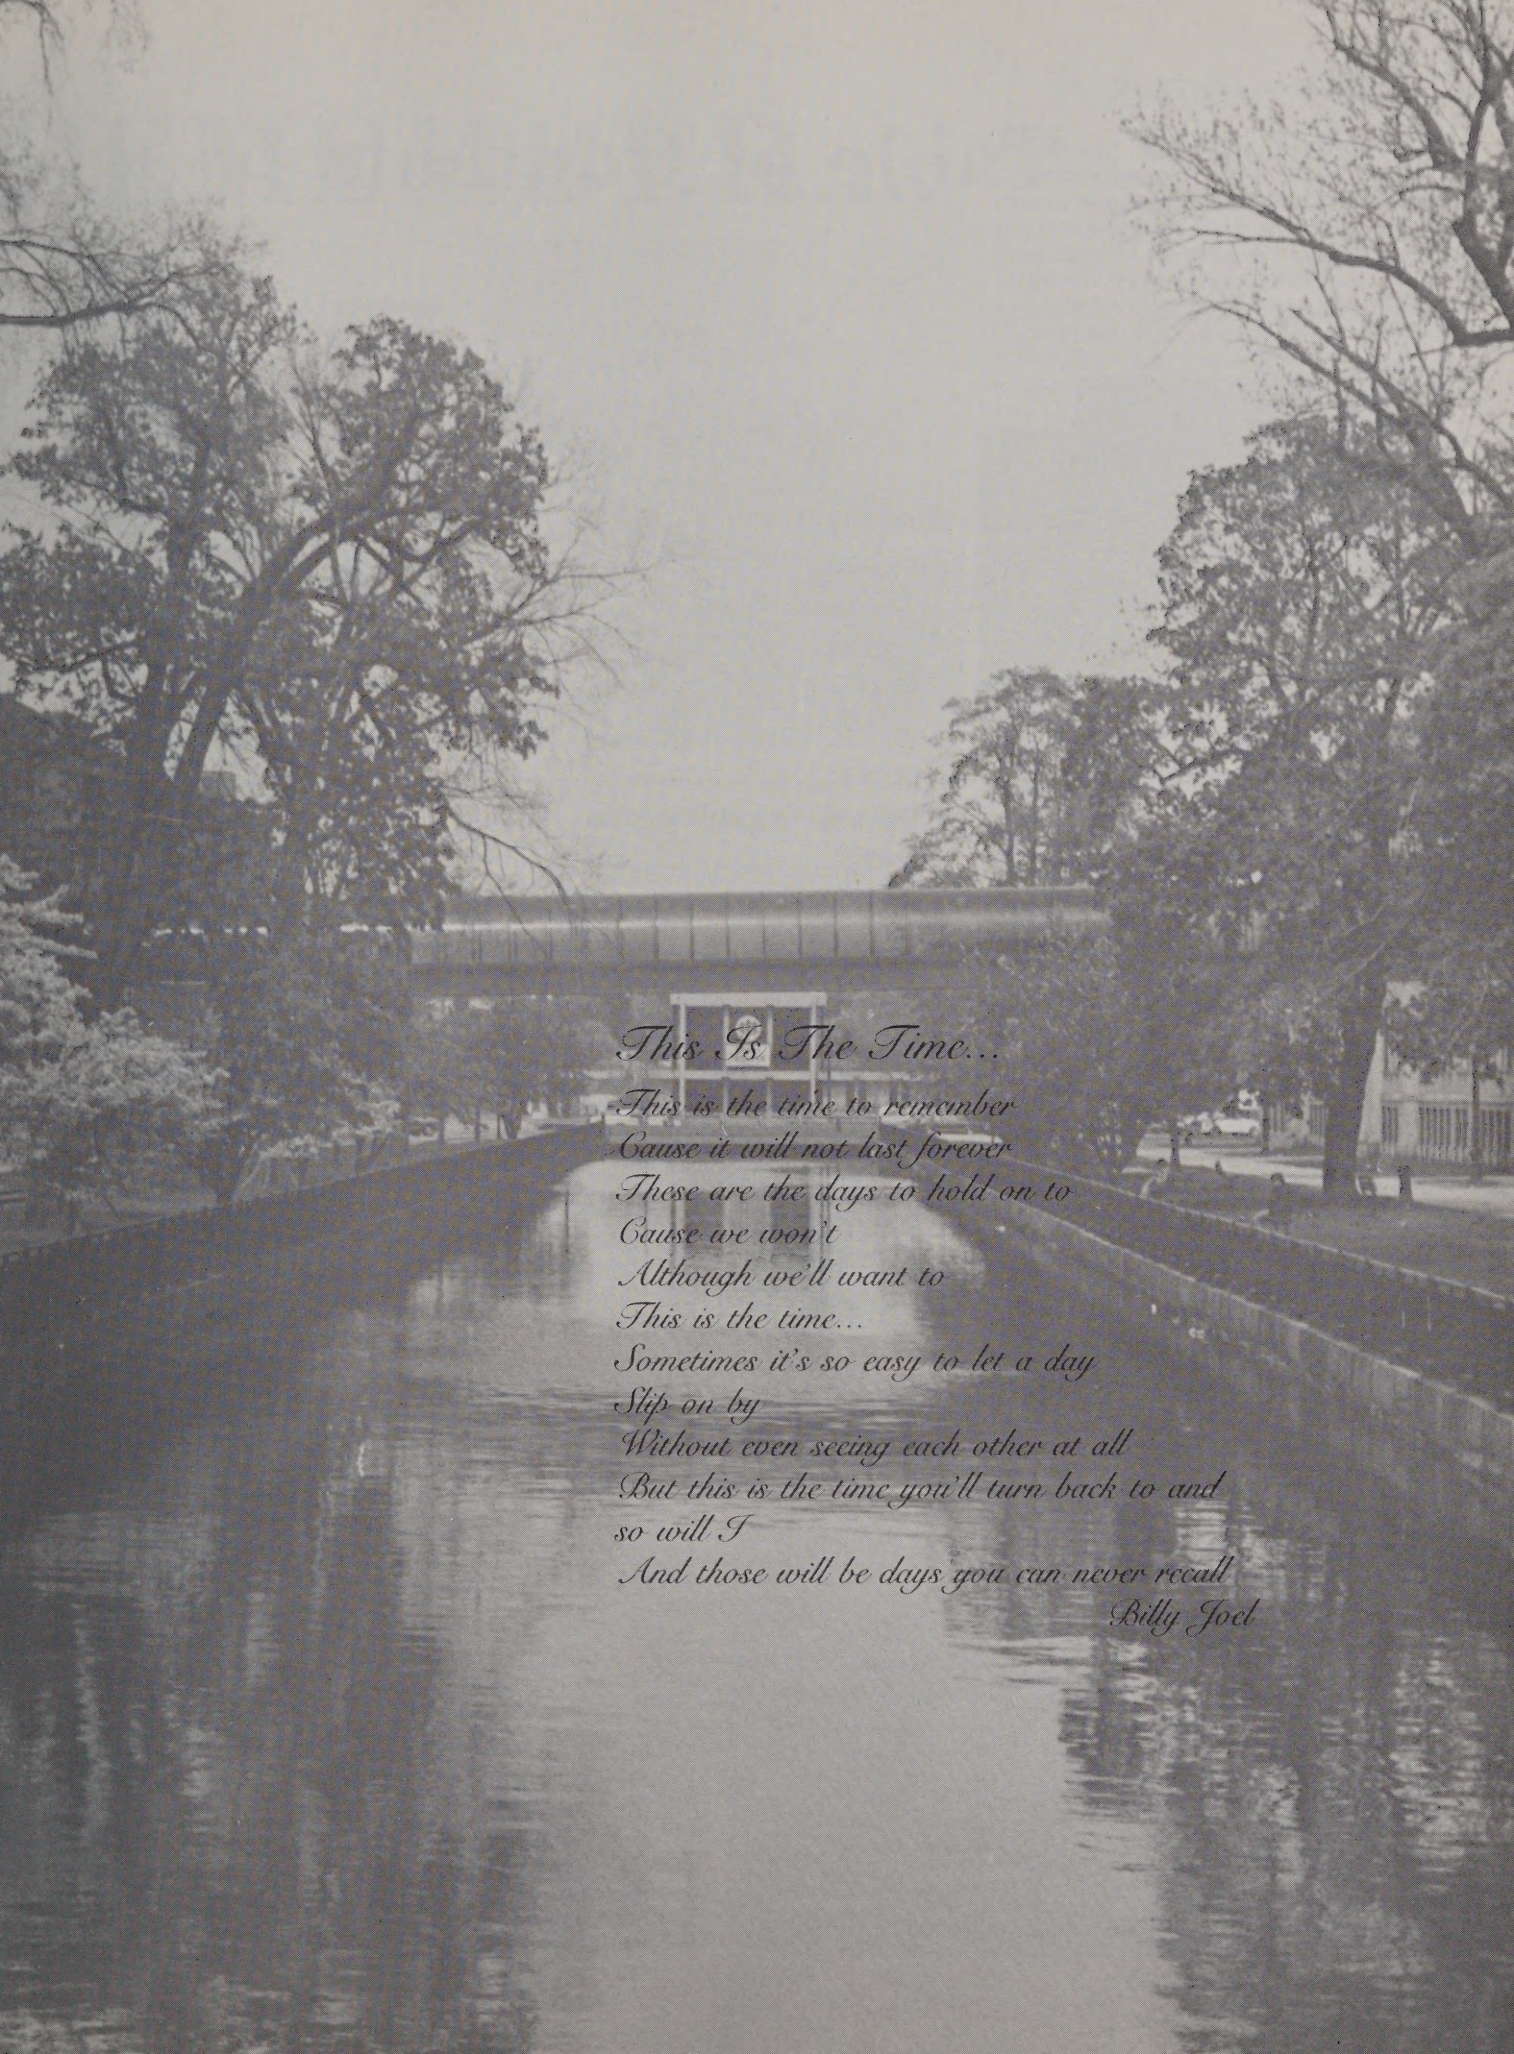
THE Spindle



This Is The Time...

This is the time to remember
Cause it will not last forever
These are the days to hold on to
Cause we won't
Although we'll want to
This is the time...
Sometimes it's so easy to let a day
Slip on by
Without even seeing each other at all
But this is the time you'll turn back to and
so will I
And those will be days you can never recall

WHAT'S HAPPENING

HOMECOMING

A motorcade of convertibles pulled up at the main entrance of Lowell High School to transport the Queen, her court and the cheerleaders to Cawley Stadium to watch the LHS football team overwhelm Central Catholic on the gridiron.

At halftime, Jennifer Desmond was crowned the 8th Annual Homecoming Queen by the former Queen, Kathy Vail (Class of 1986). The Court consisted of Junior Marleen Paquette, Sophomore MaryBeth Sullivan and Freshman Krista Poznick. All the girls received flowers and were presented trophies provided by the Friends of Lowell High . Although it was a chilly night, these four young women will always have warm memories of Homecoming.

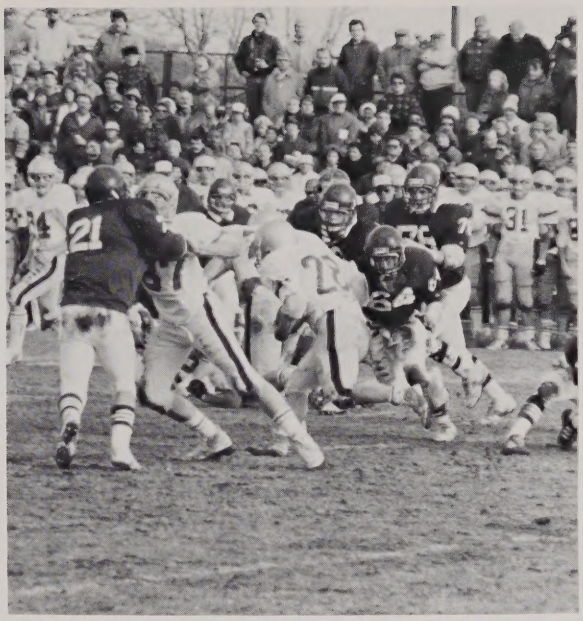
SPORTS

FOOTBALL



A slightly overconfident football team lost its opening game to Billerica High. The Red Raiders showed a lot of character from that point on, as their Senior dominated squad decided that there would not be another loss for the rest of the season. Lowell practically cruised to a 9-1 record.

Honored at the Friends of Lowell High Fall Sports Award night were:

Most Valuable Player — Bill Janes

Most Improved Player — Mike Brown

Coaches Award — Tom Rendelman

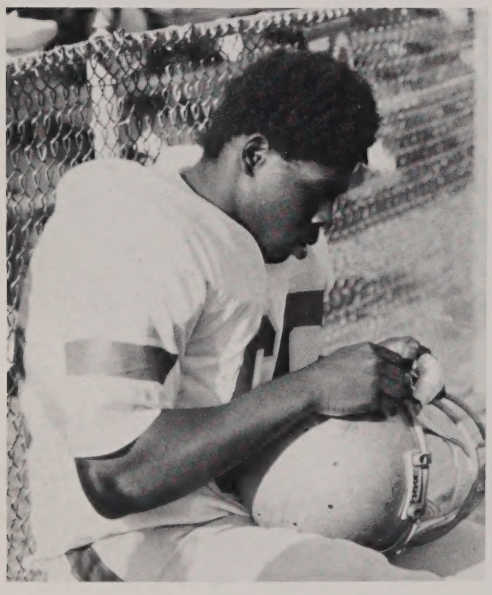
Selected as MVC All Stars by a poll of the coaches were:

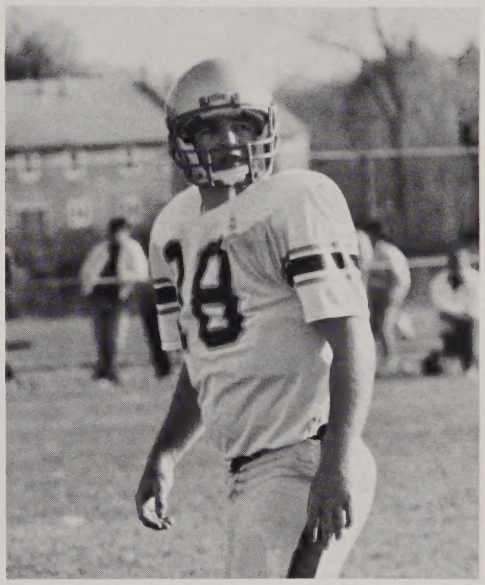
T. J. McCarthy, Eric Nelson, Scott Ogden, Paul Haley and David Donahue.

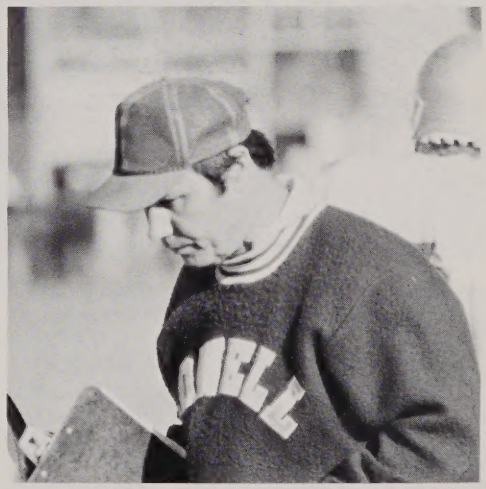
Chosen as Lowell Sun All Stars were: T.J. McCarthy, Eric Nelson, Scott Ogden and Paul Haley.

Paul was named the Sun Defensive Player of the Year and was also a member of the Boston Globe Division II All Star Team, as well as being chosen to play in the Shriner's Bowl Game

Memories: Scott Ogden's 1006 yards ... "Silence is deadly" ... coming out "silent" against Andover ... breaking Tewksbury's winning streak in a game which featured Bill Janes' bomb to Joe Rubert and an outstanding interception of a Tewksbury pass by John Broderick ... "Block down, kick out." ... Chelmsford's coming into "Death Valley" ... Joe Ferreira's running over Central ... the rainy shutout in Wilmington ... "Most obnoxious" ... "The Demoulas Crew" ... first LHS football team to be MVC champs ... "I was tying my shoe, Coach" ... Coach Lynch's last year ... "You don't got the brains God gave the broad end of a broomstick" ... most points scored — 203 ... "This is great, I don't even need drugs!" ... least points given up — 81 ... "Pig —!"







BOYS SOCCER

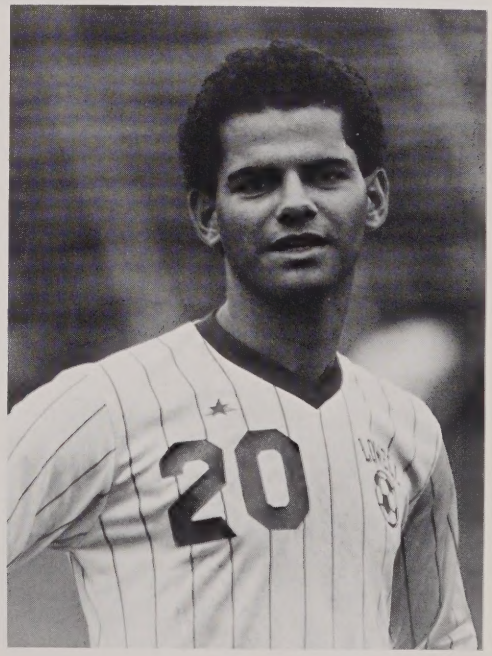
The LHS Boys Soccer team had a year whose overall win/loss record did not truly indicate the caliber or tenacity of the team. After a 5-1 loss to Tewksbury at the onset of the season, they came back against the Redmen losing a close battle by a score of 1-0. Chelmsford handed the Raiders a 4 - 0 defeat, but LHS tied the Lions in their next encounter. It was this kind of spirit which was the true measure of the team.

Honored at the Friends of Lowell High Fall Sports Award Night were:MVP — Walter Santos
MIP — Frank Parreira
Coaches Award — Jim Young

Walter Santos , the team's high scorer was selected as a Lowell Sun All Star. Chosen as MVC All Stars were Santos, Jim Young, Lucas Carvalho and Tony Lapa.

Memories: Jim Young scoring the tying goal in the game against Chelmsford, during the last five seconds ... the aggressive(?) style of Tewksbury ... the near fight at Lawrence ... going to the B.U. soccer game ... Todd's mono ... the game with the girls ... the cleat cleaning ref in Dracut ... Lucas blew up ... who blamed him?

Bottom(l.to r.): Charlie Silva, Marcelo Carvalho, Jim Young, Lucas Carvalho, Tony Lapa, Bob Sheedy Top: Coach Jim Clements, Todd Gorman, Mike Cavaleiro, Raymond Bull, Scott McKeon, Sajan Abraham, Walter Santos, Frank Parreira, Asst. Coach Lucas Carvalho



GIRLS' SOCCER

Although the distaff varsity soccer team has been in existence for 3 years, one would never have known it. 1986 - 1987 marked the first time that the Raiders have had a full schedule, new uniforms and good media coverage. This year, there were even some new spectators, apart from our faithful parents, to whom thanks must be extended. One of the most dedicated and beloved soccer fans was Mr. Ahearn who died this year, He could never be appreciated enough for his enthusiasm and support. Our successful season was dedicated to him. Honored at the Friends of Lowell High Fall Sports Award Night were:
MVP — Donna Gianoulis
MIP — Sheila Harrington
Coaches Award — Ellen Netishen
Donna Gianoulis was also selected as a Lowell Sun All Star. Memories: Injuries and illness — sprains of Rachel and Sheila, Donna's broken collar bone, Gail's bad back and Pat's mono ... Goalie Gail R. played forward and scored seconds after she first touched the ball ... Do we have to run today, Lenny? ... No lines, please! ... GIRLS BASKETBALL

The LHS girls' varsity basketball team was in the midst of a rebuilding year after winning 25 games over two previous years and had only one Senior on the squad — Amy McMeniman. 1986-87 was the season of one of the most powerful MVC leagues in history. This conference produced 3 of the top 4 teams in Eastern Massachusetts-Haverhill, Chelmsford and Methuen. It was no disgrace to lose to these powerhouses. BOYS INDOOR TRACK

The team had a fifty per cent season but there were memorable performances throughout. Tracy Wilson set a new school record in the 1000 yard event (2:18.1) which earned him a second place in the State Coaches Meet. He broke a record of 50 years standing at LHS which was set by National Champion Carmen Bova. A distance medley team of Tracy Wilson, Dave Donahue, Dave LaMarre and Dave Cremin competed in the Easterns at Princeton University — an event featuring the top teams in the eastern part of the country. The Raiders placed fifth and also established a school record for that distance event.

As well as having a victorious season, and placing 4th at the Class A meet, the Raiders had their first ever State Champion in the person of Mercedes Milligan. It was a great year for the squad, because no other team placed as high, in such a meet, in the history of LHS girls' track.

WRESTLING

For the first time in twelve years, the Raiders captured both the State and New England team wrestling titles. 1987 marked the first time in the history of the N.E. tournament that one school entered four finalists and scored a record number of points in winning. On the whole, this group of grapplers were a record kind of squad. It was the only LHS wrestling team to win every competition it entered. Seven of the varsity had wrestled together since before entering the high school at the Lowell Boys' Club. At the Commonwealth Cup meet, which featured the top eight contenders in the division, only two of the teams had suffered a defeat. Six were unbeaten --- until the end of the day. Only LHS could then make that statement. At the close of the season, Lowell had also won the MVC conference, the divisional and sectional championships. There was nothing left to win. Coach Bossi called his crew, "A once in a lifetime team".

Although the team sported a 4 - 7 record halfway through the season, the now red hot Raiders won eight straight games to qualify for the Eastern Mass State Tournament. Lowell, which had been the pre-season favorite to take the MVC title, did not, but went further in the tournament than the six other MVC teams which qualified

SOFTBALL

Although ten varsity players returned, and the Raiders possessed a lot of talent, 1986-87 was not a winning year for the LHS softball team. In spite of the great pitching efforts of Debbie Quinn and Marleen Paquette, offensive support was not there when needed.

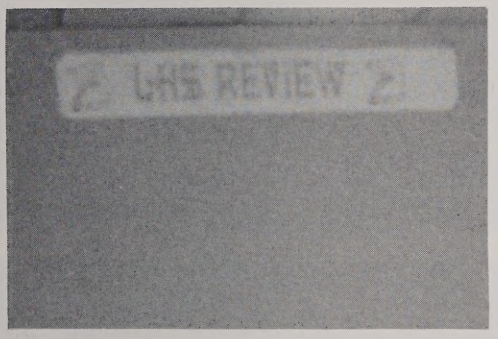
THE REVIEW

Editor in Chief
Brenda Kijanka



The Review entered its 101st year of publication and finally received its own office. It may not have had windows, but to the staff, it was home. The Editorial staff increased from only three in August to eight by December. Due to printer difficulties, the first issue came out late. Important seniors were Editor-in-Chief, Brenda Kijanka, Entertainment Editor, Colleen Burke, Clubs Editor, Mary Ann Matte, Photographer, Alexandra Giavis, and staff reporters Marty Barrett, Margo Nison, and Kelly Bond.

Memories: Going to the printers ... late Friday night layout sessions ... Mario, the Reviews personal thief ... the final deadline ... last minute articles ... "Is this straight?" ... Mrs. Kulesa's criticism ... the last, last deadline ... Brenda's weekend runs to the printer ... Mary Ann's ads ... misspellings ...Oops! ... the final issue!

The Class of 1987 was a great group. To prove this fact, just look at your copy of the SPINDLE. You had a remarkable staff who put this book together. They were always original and optimistic, and nearly always cheerful. It was my pleasure to work with them to make all of you look good. They are to be commended for their diligence and dedication. Best wishes to your class and especially to the staff.

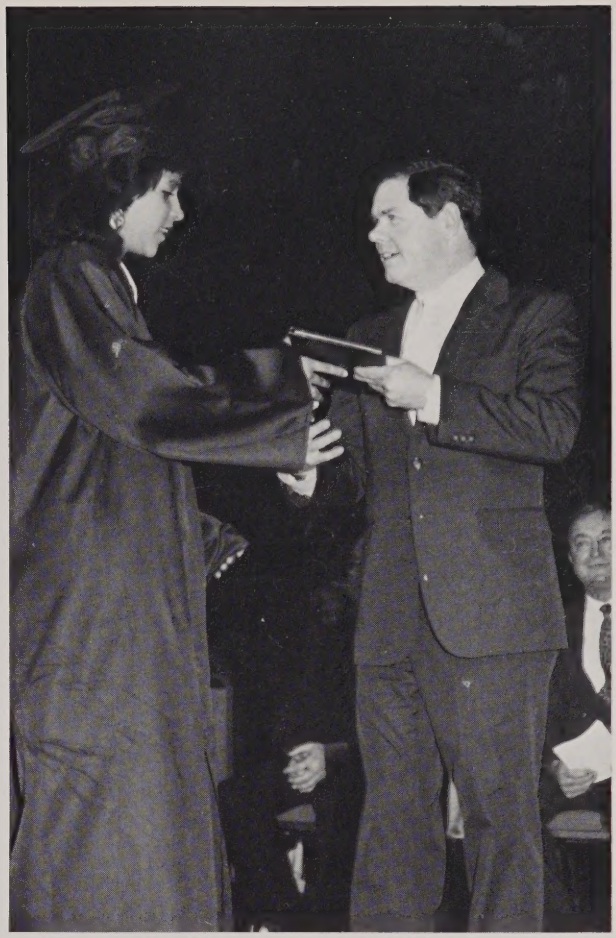
Tomorrow's shining brightly so we hold our heads up high,
Prepared to make a difference, not let the world just pass us by
Our hopes and expectations have no boundaries but the sky.

We'll all miss one another as we begin to grow apart,
So close your eyes, remember the dreams we've shared, the joys
And fears our hopes and expectations are the symbols of today.

REFRAIN:
Walk on proudly, tomorrow's waiting , it's there for you and me
We're the future generation, look at us and see that tomorrow's
Shining brightly so we hold our heads up high
Prepared to make a difference not let the world just pass us by,
Yes we share our dreams and promises, while reaching for the sky.

by Margo Nison



Graduation is a new start,
a springtime of a special kind.
It is a reluctant, blossoming flower, nurtured by the sunlight,
not sure whether or not to bloom, but knows advancing is
necessary for growth.
I'll keep memories of high school alive by
locking them safely in my heart,
Reminiscing when I need courage,
and using them as guidance and strength when I feel weak,
never losing touch with yesterday.

It's time to travel to another
place in life, not yet experienced.
A new page in a complex novel will turn for me.

Yesterday pushes me along, telling me to be confident.
Tomorrow welcomes me with open arms
offering a chance to expand my horizons.
It is willing to embrace me when I get there.

PIRATES OF PENZANCE

For four years the Senior cast members of the Performing Arts Department have worked together in school musical productions. This long and close association was clearly one of the reasons for the smashing success of the "Pirates of Penzance", one of the best known of the Gilbert & Sullivan operettas. It was a fun show for both audience and cast. The familiar songs and words were in the good hands of seasoned performers like Margo Nison, Marty Barrett, Marc Montminy, Chris Condon, Melanie Lambert.

The sets were creative and colorful. The orchestra provided an excellent musical backdrop. All in all, the evening was a credit to the show's directors, B. Douglas Townshend and Michael Sokolowski.

IN MEMORIAM

Nancy Mahoney

On November 8, 1986, Lowell High School was stunned by the loss of a warm , caring and dedicated teacher — Nancy Mahoney. She had been very active in the Lowell Teachers' Organization and served as Secretary and Treasurer for more than 10 years. She worked tirelessly for her students but she worked just as hard towards the improvement of education in the city of Lowell. To her husband and seven children we extend our deepest sympathy. We quote our Class of 1987 graduation program: "She loved her family and friends; she loved Lowell High School and its students; and, above all, she loved God." May she rest in peace.

WITH GRATITUDE

A second faculty member is leaving LHS with us. Betty Chapman, who worked with the hearing impaired students, has been a unique and highly specialized teacher. Her contribution to these pupils was remarkable. The three members of our graduating class who had Mrs. Chapman as an instructor are testimony to the years of service and skill which she provided to Lowell. We cannot "sign" in print. If we could, we would wish her health and happiness for many years to come.

An important member of the LHS staff leaves school with the Class of 1987 — Mary Esther Kaknes of the Art Department and alumna of the school as well. She not only taught in the department, but was its founder in 1968. Many students have aspired to careers in art as a direct result of her teaching and influence. Others have simply enjoyed her classes and the cultural enhancement these classes provided. She will be missed. We hope that her retirement will be all that she wants it to be.
